

# COMMUNITY DIAGNOSTIC MANUAL

The manual is designed so the reader, in a simple and practical way, learns and applies each of the phases to perform a participatory diagnosis. The design allows it to be useful for all audiences with interest in community processes. No prior knowledge is required for its use.

The material also consists of a CD, where the stages of community diagnosis how to apply them are exemplified.

## **COSTS:**

Manual + CD: \$232.00, does not include shipping cost.
